INTERNATIONAL CREDIT UNION DAY 2023®

On October 19, 2023, United Financial Credit Union will join over 56,000 credit unions around the world to celebrate International Credit Union (ICU) Day®. ICU Day highlights the many ways that credit unions across the world help members work towards achieving their financial goals. Credit unions were built on the principle of “people helping people,” and we’ve seen that philosophy in action for more than 100 years, with credit unions providing access to affordable financial products and striving to meet the needs of underserved communities. This year marks the 75th anniversary of ICU Day, and United Financial is honored to be a part of this proud tradition.

*We look forward to celebrating with treats for members at all United Financial locations for **MEMBER APPRECIATION DAY** on **THURSDAY, OCTOBER 19.***

We invite you to join us in celebrating this special event throughout the month of October. Stop into the office for a free calendar, enter to win a fun-filled gift basket, and more!

First Annual Golf Outing

United Financial Credit Union held their first Golf Outing at Saginaw Valley Public Golf Course on August 22, 2023. This outing was planned to fundraise for the credit union’s new foundation. The credit union raised \$13,000, these funds will help support their new scholarship program and various other financial education and community outreach programs. 27 teams joined us with 108 golfers enjoying a fun day on the course. Thank you to all of our sponsors, participants and volunteers; we couldn’t have made this event a success without all of the support of everyone.
