## Community Corner

United Financial is dedicated to improving the lives of our members and those in our community.

### Blue Star Service Dogs Collection Drive

The Credit Union was a collection site for treats and training supplies for Blue Star Service Dogs. Blue Star Service Dogs provides military veterans diagnosed with post-traumatic stress disorder, a path to healing with service dogs. These programs are more than just assistance, they are about transforming lives, healing wounds both seen and unseen, and offering families a chance for new beginnings. These dogs come from shelters and rescues, go through extensive training and are then paired with their veteran participant.

### Food Drive

We would like to thank our generous members, staff, and community for the support we received for our Annual Food Drive. We were able to collect **over 250** nonperishable food items for the community. All items collected were given to Hidden Harvest in Saginaw, where they distributed to local food pantries.
